

**38<sup>th</sup> Annual Neurorehabilitation - 2017**  
**INSTRUCTOR AND PLANNING COMMITTEE DISCLOSURES**

Speakers and Planning members have been asked to indicate whether or not they will discuss off-label use of products and/or whether or not they have a financial and/or non-financial interest arrangement or affiliation with one or more commercial organizations that could be perceived as a real or apparent conflict of interest in context of the subject of their presentation. This information is disclosed so that an informed audience may formulate their own opinions as to any bias in the information presented. All disclosure forms are on file in the Education Office.

<b>NAME</b>	<b>Presentation</b> will include discussion of commercial products or services	<b>Presentation</b> will include discussion of off-label use of products	<b>Relevant non-financial relationships</b> are those relationships that might bias an individual including any personal, professional, political, institutional, religious or other relationship. May also include personal interest or cultural bias	<b>Relevant financial relationships</b> are those relationships in which the individual benefits by receiving a salary, royalty, intellectual property rights, gift, speaking fee, consulting fee, honoraria, ownership interest (e.g., stocks, stock options, or other ownership interest, excluding diversified mutual funds), or other financial benefit. Financial relationships can also include "contracted research" where the institution gets the grant and manages the funds and the individual is the principal or named investigator on the grant	<b>Resolution of Conflict/Comments</b>
